

Crew Training

If you are seeking work in the yachting industry for the first time, certain courses are essential and others are highly desirable in the eyes of potential employers.

You will find it difficult to obtain a job in yachting unless you have attended these courses. They contain essential safety information for anyone going to sea for the first time.

- **Engineering**
- **Galley**
- **Interior**
- **MCA – Masters**
- **MCA – OOW**
